(912) 259-0341   [Github](#)   [LinkedIn](#)   [Portfolio Site](#)   jscarter3874112@gmail.com

**SKILLS** React, Python, JavaScript, Redux, Express, Flask, HTML5, CSS3, SQL, Git, Websockets

## PROJECTS

**Cypher**(Flask, SQLAlchemy, Python, JavaScript, React, Redux, CSS3, WebSockets, AWS, PostgreSQL)

[Live Site](#) | [Github](#)

*This is a clone of Slack*

- Was able to optimize performance using indexing
- Successfully implemented WebSockets to create a dynamic chat experience for the user
- Successfully implemented an AWS-powered image upload solution

**Nile**(Flask, SQLAlchemy, Python, JavaScript, React, Redux, CSS3, WebSockets, AWS, PostgreSQL)

[Live Site](#) | [Github](#)

*This is a clone of Amazon*

- Successfully implemented the ability to efficiently search for items through a search bar
- Was able to implement a feature to keep track of your past orders, even if the item in question has been deleted.
- Successfully implemented an AWS-powered image upload solution

## EXPERIENCE

**Orchid Asian Restaurant**

Statesboro, Georgia

*Cook*

August 2020 - October 2022

- Was responsible for making sure that we would have enough ingredients prepared to last until my next shift
- Was more efficient than past prep cooks by 250%, allowing me to also work on grill, saving the Restaurant \$20,000 over my time there
- Was responsible for working the grill on the busiest night of the week, where I would often need to make 6 or more dinners simultaneously.

**Independent Contractor**

Online

*Gaming Contractor*

March 2019 – August 2020

- Was required to optimize gameplay to maximize efficiency
- Was required to work with the customer to create a positive experience
- Was responsible for maintaining position as a top player in the world

**Jones Red and White**

Savannah, Georgia

*Stocker*

October 2018 – February 2019

- Worked in every department depending on the needs of the store that day
- Was responsible for keeping storeroom organized and making sure that shelves were stocked with goods from storeroom
- Was responsible for preventing spoiled food from being left on the shelf

## EDUCATION

**App Academy**

Online

*Curriculum of Study in Web Development (Python and JavaScript)*

February 2023 – August 2023

**Georgia Southern University**

Statesboro, Georgia

*Double Majored in Physics and Computer Science*

August 2021 - May 2022

**Georgia Southern University**

Statesboro, Georgia

*Studied full time with the MOWR program*

August 2017 - December 2017
